Please read and initial the following:

☐ I understand if my child misses too many classes, he/she may not dance in the recital or compete if they have a solo, duet or trio.

☐ No parent will enter the dance room during class. I understand to respect the dancers and teachers.

☐ I understand PHDA is not responsible for lost items, clothes, and electronics.

☐ In the event my child doesn't wish to continue classes, I understand the registration fee is nonrefundable as well as class tuition & costumes.

☐ I understand that only dance attire is to be worn to all classes.

☐ I understand trophies will be issued at 3, 5, 7, 10, and every year following 10th year of experience. Dance years and Acro years are separate. It is your responsibility to write the years of dance experience your child has had to figure out the trophies.

☐ Class selections are subject to approval by Miss Allison as to whether she feels a dancer should be moved up or down depending on ability, not just age. I understand that many factors go into this decision including attendance, age, progression, and ability.

☐ I understand that age is determined by how old my child is as of December 31, 2026.

☐ I understand that classes run from September through May. Tuition is paid on the 1st of the month. It is not based on the number of classes each month, as the number varies. A \$10 late fee will be applied for all payments received after the 10th of the month. I accept cash or check only.

☐ I understand that all returned checks will be charged a \$35 processing fee.

☐ I agree to pay all costume fees by due date given, or my child will not receive a costume.

☐ I agree to pay the \$25 fee for the recital link with my first payment.

☐ I agree to have my child participate in the recital at the end of the dance season.

☐ If for some reason the studio must close due to state mandate orders, I understand classes will remain online and payments will still be expected with no refunds for the entire year/season.

☐ PHDA DOES NOT TOLERATE bullying of any kind. Whether it is in class, out of class, or cyberbullying. Parents will be spoken to, and dismissals will be appointed to all involved. If texting, social media, or any other platforms are used for bullying, and it is brought to Miss Allison's attention, I understand there will be consequences.

☐ I understand that it is my responsibility to read all emails timely.

☐ I understand that if there aren't enough students signed up for a class, my child may have to be put in a different class.
